

REMARKS/ARGUMENTS

The Applicant thanks the Examiner for the comments in the Office Action, which has been carefully considered. It is respectfully submitted that all issues raised are traversed, being hereinafter addressed with reference to the relevant headings appearing in the Detailed Action section of the Office Action.

Abstract Language

As required by the Examiner the applicant has amended the abstract to be in narrative form.

Double Patenting

Claims 1 and 3-6 stand rejected on the ground of nonstatutory obviousness-type double patenting as being allegedly unpatentable over claims 1-5 of US Patent No. 6,750,901.

To address the rejection the applicant has amended claim 1 to incorporate the feature of claim 2, now canceled.

Applicant respectfully submits that this traverses the double patenting rejection.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed. Accordingly, it is submitted that the application is now in condition for allowance. Reconsideration and allowance of the application is courteously solicited.

Very respectfully,

Applicant/s:
